

Listed below are the 2009-2010 School bus routes for students from Camden/Rockport attending MSAD # 28 and the FiveTown CSD. Again this year an effort will be made over the first few weeks of school to re-evaluate pickup locations for all students in an effort to minimize the amount of time all students spend riding the buses to and from school. The hope is that by consolidating bus stops and asking students to walk a short distance to a central bus stop, we can provide faster and more efficient services for our students. Parents and students will be notified if their bus stops change. The first few weeks all bus stops will remain the same as last year. As always, student safety will be our priority when consolidating bus stops.

Bus # 2 A.M. Don Richards

Bus # 15 P.M. Martha Heal
