AVS Facilities Committee Meeting Minutes

Appleton Village School: Walk around exterior

Present: Keith Rose, Heather Wyman, Mitch Pendleton, and Peter Beckett. Also present: Jason Gushee and Susan Stilwell.

This meeting was originally scheduled for 6/14/16, but was postponed to 6/21/16.

The group walked the exterior of the building to assess its status prior to project work beginning. We discussed the leak in the art/music room, looked at the broken exterior hose bib, and looked at the overall condition of the wood mansards. We also went up on the roof above the art/music room to assess the leak.

Next meeting: TBD
