

The entire staff of teachers and support staff attended the PBIS (Positive Behavior Intervention Supports) conference on November 2, 2018.

We did our annual Lock Down drill on Nov. 6th with the presence of two members of the Sherriff's office. They gave some feedback and will be meeting with the staff on November 27, 2018.

I will give some information about the MEA writing score.

The November 9, 2018 Veterans Day Celebration was an overwhelming success. We had 22 veterans participating. The senior group joined the veterans for lunch. I have video and pictures to share. This was the program:

Meet & Greet - 9:15-9:30

Interviews in the gym - 9:45-10:30

Students in grades 6-8 were grouped with attending veterans to "grill" them on the events and escapades of their lives! :)

Group Writing - 10:30-10:45

While the veterans headed off to the science room, the interview groups worked diligently to prepare a riveting introduction to their honored veteran.

Panel Discussion - 10:45-12:00

Veteran Lunch - 12:10-12:50ish

As veterans enjoyed their dessert, the younger grades performed their songs in front of the stage.

The musical performances, led by Sharon Henderson, concluded this year's Veterans Day Celebration.

November 15 & 16 I attended the Maine Principal Conference along with all the administrators in the Fivetowns. The focus of the conference was *Student Voice: The Key To Unlocking Schools Potential* with Dr. Russell J. Quaglia and Staff Evaluation and the Law.

Thanksgiving Food Drive: Appleton Village School annual food drive was from November 13th- 16th. Students bringing in non-perishable items. We donated the food to our local food pantry at the end of the week.

Lunch Program: Breakfast

Partners for Enrichment are bringing in arts and science enrichment opportunities again for all grades at AVS this year.
