

To the Parent/Guardian of CRES,

We are making a lunch meal available to keep on hand for use on a remote snow day for anyone who chooses to purchase one. It is sent home frozen and meant to be kept frozen until it's taken out to be used on a remote snow day. Prices will be the same as a regular school day, and free or reduced lunch prices apply.

Please use this link (or print and return this form) to order lunch for your child(ren).

These meals will be available beginning on Feb. 4 and may be picked up once you place your order.

Thank you in advance,

Susan Boivin, Food Services Director
