

# CRES CHESS !

M, W, F: @ 7:45 AM; Tuesdays: 3:35 - 4:30 PM

Join our State Chess Champions !!

CRES just returned from the State Chess Championship with 1<sup>st</sup> in Grades 2/3 and 2<sup>nd</sup> in K/1! Miles was best in 2/3 and Hector was 2<sup>nd</sup> (each had perfect scores!). Come learn and play with our champions! Learn pins, forks, double attacks and checkmating moves! Learn bughouse (team chess) & play in the class championship! Learn thinking and problem solving skills that help in school and in sports! Chess wires your child's brain for math, science and creative thinking by teaching how to break problems down into parts and calculate in your head. Problem solving skills are the basis of all learning. Come join the 4 C club: improve your Concentration, Calculation, Creativity with Chess!

7:45 AM: Mondays: Winter ends Mar 11. Spring: Mar 18 - June 10. Fee: \$40

3:35 PM: Tuesdays: Winter ends Mar 12. Spring: Mar 19 - June 11. Fee: \$78
