June 2016

Dear Parents and Guardians,

Welcome to 5th Grade! We are looking forward to a wonderful year with your son/daughter. We realize the anticipation of coming to a new school may be stressful for your child. All the teachers and staff will work with the fifth graders to make the transition as easy as possible. On ***Thursday, August 25th from 9:00-10:00 am***, we will have a “meet and greet” for our four classes. This is a time when you and your child can drop in for a brief visit before school begins. We hope you can come. If not, feel free to contact us with any questions or concerns.

Fifth grade students need basic school supplies. The school will provide your child with a school planner so you do not need to purchase an assignment book. Zipper-type pencil cases or small plastic boxes are preferable to large over-sized boxes. When you buy supplies, keep in mind that desk space is limited. Large padded notebooks ***will not*** fit in the desks or cubbies so please avoid them. The following is a basic list of supplies your child should have.

Consumable supplies will need to be replenished periodically.

Pencils #2 (minimum 24 – 36)

Pencil pouch or small box

Eraser caps

Pencil sharpener (small, with receptacle that holds shavings)

Tissues (a donation of two boxes of tissues would be greatly appreciated)

Water Bottle (should go home each day to be cleaned and filled. It’s much more sanitary and convenient than our water fountain.)

For Spanish class: 3-ring binder with 5 tabbed dividers and extra lined paper for the binder

Please remind your child to begin or continue reading The Young Man and the Sea, our 5th grade summer book read. Students should finish the book before school starts and be ready to discuss it on the first day.

As soon as school begins, you will receive information about the curriculum and day-to-day procedures. Enjoy the summer. See you soon!
