

Parent Feedback Form
Camden-Rockport Middle School
January 2008

As part of our evaluation system, the administration is seeking feedback from parents regarding the effectiveness of CRMS. The purpose of this questionnaire is to get a broad overview of how well our staff has performed this year. Therefore, when completing this questionnaire, **we ask that you base your responses on your personal observations or experiences during the first half of the 2007-2008 school year.**

Thanks in advance,
Maria
