

# Movement, Motor Skills, and Knowledge Skill Development, 3-5

<b>Beginning</b> 1	I need assistance when demonstrating the skills. I have inadequate skills with little or no development.
<b>Developing</b> 2	I can perform the basic skills at an introductory level. My skills are beginning to develop.
<b>Applying</b> 3	I can perform the basic skills easily, and I am able to show skill improvement. I demonstrate the proper skills on a consistent basis.
<b>Innovating</b> 4	I always demonstrate the skills required and perform the skills at an advanced level. I am able to teach other students the skills that are needed.
