

Movement, Motor Skills, and Knowledge Skill Development, 6-8

Beginning 1	I need assistance when demonstrating the skills. I have inadequate skills with little or no development.
Developing 2	I can perform most skills at an introductory level. My skills are beginning to improve and develop.
Applying 3	I can perform the basic skills easily, and I am able to show skill improvement. I can demonstrate the proper skills on a consistent basis.
Innovating 4	I always demonstrate the skills required and perform the skills at an advanced level. I am able to teach other students the skills that are needed.
