I. Project Description

Five Town CSD requests proposals for the following project, Camden Hills Regional High School (CHRHS) 12 Foot Salad Bar Replacement as part of the overall goal of replacing the failing 20-year-old 12 foot Salad Bar in the School cafeteria.

II. Description of RFP Process; Selection Criteria

Interested contractors must adhere to the timeline identified in this request. In the event that alterations to the timeline become necessary, all contractors that have submitted their intention to submit proposals will be notified of the changes and an addendum will be added to this document.

The School District will subjectively evaluate proposals based upon the following criteria:

1. How well the proposal meets the needs of the School District;
2. Cost effectiveness;
3. Experience with similar jobs
4. Financial capacity (Maine statute requires public projects in excess of \$125,000 to be

secured by payment and performance bonds)

5. References.

Proposals will be good for at least 90 days after they are submitted. The School District reserves the right to reject any or all proposals, to exercise its judgment in evaluating proposals, to negotiate with one or more contractors submitting proposals and to request clarifications and/or demonstrations.
