Pre-K students presented Katie Campbell, Educational Intern from Camp Kieve, a big thank you card for all the special times they had with her. Katie joined Pre-K weekly on Woodsy Wednesdays and taught cooperative games, activities to help us all get along better, and nifty stuff about nature in our outdoor classroom. Thank you, Miss Katie! We will miss you and wish you all the best!

Registration is now open for Pre-K and Kindergarten for the 2024-25 school year! Please follow the links below to register.

Mrs. Strazzulla's first grade class went on a bird watching adventure! Outfitted with brand new binoculars, they explored the nature trail looking for woodpecker holes, birds and listening for bird calls and songs. If a birdsong/call was heard, they would point and try to locate the bird up in the trees. It was quite the adventure. The class is currently doing a bird unit in language arts. They are learning how to research in teams to learn more about the form and function of a bird's beak, feet and feathers.

Second grade students are getting ready for their plant sale on May 18th. Mark your calendars to join us from 10AM-2PM. All profits benefit the garden club, and its work around the school grounds. We thank you in advance for your support. We also would like to thank Rebekah from the Maine State Prison for many donations to our sale.
